

FORESTERS INITIATE FOUR CANDIDATES.

Committee Named by Court City of Norwich to Arrange for 20th Anniversary.

Four candidates were initiated on Friday evening at the regular meeting of Court City of Norwich, No. 63, Foresters of America, in Foresters' hall, the work being done by the degree team captained by Brother Hero and showing commendable results from a lot of patient practice on the part of the team and the instructor. Interesting reports of the condition of the court were read.

A visiting brother from Court Argyle of Cleveland, O., gave a good sound talk on Forestry, also complimenting the team upon the fine work they had done, with not a great amount of time to prepare for it.

On Nov. 12th the court celebrates its 20th anniversary, which will be made a noteworthy occasion for the Foresters of the city, as it is the intention to send invitations to the other courts. Chief Ranger Mahoney appointed a general committee of three, T. A. Carey, P. J. Murphy and George H. Dolan, to start immediately upon working up the arrangements.

Amounts Fixed For School Districts

Town Will Spend \$58,856 or Over \$2400 Less Than Last Year—Reasons for the Reductions

For the purpose of fixing the apportionment of school money for the different districts of the town, there was a joint meeting of the board of selectmen and the town board of school visitors on Friday evening in the selectmen's office. There were present Selectmen A. W. Lillibridge and E. E. Beckwith, Acting School Visitor F. H. Foss, E. J. Brophy, C. E. Briggs, J. M. Lee, C. N. Congdon and George Thompson.

There met the board several representatives of the school districts including President A. A. Brown, Treasurer F. J. Leavens and Supt. D. D. Timson of the Central district, C. S. Woodmansee of the East Great Plain district and a representative of the Greenville district. They asked for slight increases in their respective districts. Following the conference with the district representatives the joint board decided to increase the amount for the Central district \$610, for the East Great Plain district \$15 and for the Greenville district \$50. With these exceptions, the amounts for the districts were fixed as they were apportioned at the meeting of the joint board in June. The amounts as compared with those of the previous year follow:

	1911.	1910.
West Chelsea	\$14,750	\$14,560

Central	15,050	16,000
Greenville	6,900	7,650
Wegonsnooc	4,650	6,200
Bridge Street	2,715	2,775
Town Street	2,580	2,875
Occum	2,960	2,550
Palls	2,200	2,000
West Town Street	1,850	1,850
Long Society	1,820	1,675
Yantic	1,062	1,100
East Great Plain	330	325
Scotland Road	420	350
Wauwecus Hill	282	280
Plain Hill	377	380
County Home	200	200
	\$58,856	\$61,550

This makes the total for the schools for the ensuing year \$2,674 less than in the previous year. One of the large reductions results from the Tatfield district, where there are four less teachers this year. In the Central district there is less appropriated because the town does not provide for the kindergarten.

The expenses were also cut down this year quite a little by the several districts being required to hand in itemized statements of their accounts whereas previously only the totals were submitted with incidentals and miscellaneous running up to good-sized amounts.

FOUND HER HUSBAND.

Mrs. John Humphries of New London Got the Police to Help Her Search.

On Friday evening, Mrs. John Humphries of New London, who said she had been married six months, applied to the police for a squad of officers to go with her and surround a Summit street house, as she believed her husband was there. She was formerly of this city, but now works in New London, her husband being a soldier at Port Terry.

A policeman was sent with her to the house and she found her husband, as she said she would. She had been tracing him about the city. Her suspicions were aroused when she intercepted a letter from Josie Snow and a ring. Until then she thought her husband all right. After finding her husband, they left the place together, she having previously said that she desired to know whether he intended to continue such visits, or to do as he should. She mentioned that she might take steps to get a divorce.

Bonds and Securities Found.

The National Whaling bank of New London has received from Buffalo an envelope containing several bonds and Canadian securities which were in a package with \$1,500 in cash, which was addressed to the National Park City bank, New York, on Tuesday last. The \$1,500 in currency was stolen by a boy runner for the New York bank, and the other contents of the envelope mailed by him from Buffalo in order that they might not be found on him.

LIGHTER CARLTON LEAVES.

Takes Away Load of Stone and Drilling of Ledge in River is Resumed.

On Friday the lighter Samuel Carlton, which has been in the Shetucket river under Laurel Hill bridge lifting out the rock which has been blasted there, was taken to New London with the load of stone and the disjunct derick.

The drilling was resumed on the ledge Friday and more stone will have to be taken out of the river. It is expected that two weeks more will complete the job.

LeRoy Harwood, New London.

Bankruptcy Hearing.

Before Referee in Bankruptcy Amos A. Browning on Friday there was a hearing in the bankruptcy estate of Job Thorp concerning the final account of Trustee Martin. The account was heard and accepted.
